REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT
COUNCIL

We are pleased to present you with the School Report Card (SRC) for the 2013-2014 school year at Chapin Middle School (CMS). The purpose of the SRC is to inform parents, our community and other schools of the progress of Chapin Middle compared to schools across the state. The SRC is available for you to review electronically by visiting our website or you may review a copy from the CMS office.

Chapin Middle continues to work towards improvement in all areas of education. We are focused on helping all students work at a higher level of academic achievement. It is essential for us to create the very best learning environment possible which includes our core content classes, exploratory classes and fine arts classes. In addition to academic success we enjoy watching our students flourish in the areas of music, art, theater and athletics.

Our parents participate in school activities by chaperoning school events and volunteering with school projects. Chapin Middle had more than 50 parents share their life experiences on Career Day. Parents and community members also serve on our SIC and PTO. Their support helps to ensure the implementation of our mission of community and school uniting for excellence.

Chapin Middle School will continue to grow academically and implement new courses as we prepare for the coming school year, and we are proud to continue to offer the kind of quality educational programs that Chapin students deserve. We will celebrate successes in our work and the achievements of our students. Thank you for your continued support of CMS staff, students, parents and the community.
